

Dear All,

Sai Ram,

I would like to share the good fortune of having Veena Didi (Sai Maa) and Ashok Bhai Shahib's company and watching Baba's Leelas.

On Friday Sept 10, I picked Veena Didi & Ashok Bhai Shahib from Newark Airport around noon. We had prepared the room for Saturday's Amrit Vaani. Before we all had lunch, Didi offered food to Baba and to our delight we found that Baba took a piece from Poori and Dahi Vada.

Few minutes later Veena Didi came to altar to pick up the Jal offered to Baba and to our utter delight we found LOTS of Udi emerging from Baba's Right Charan. As if He was acknowledging / welcoming his favorite Daughter. That was enough to keep us intoxicated for the rest of the day.

Next morning we started preparing Altar for Amrit Vaani and placed fruits at the altar. Within minutes Udi appeared on the fruits.

Since it was Ganesh Chaturthi, Ganesh Ji's Trunk appeared in the Udi which is still prominent.

One of the devotees brought a small picture of Baba and that was also Blessed with Udi within no time coming out of Baba's left Charan.

In Iselin, Sai Temple Udi appeared at Baba's right foot. Amrit Vaani was attended about by 300 people.

After Iselin, Didi went to Sai Temple in Baldwin, NY. There also Baba acknowledged / welcomed Didi with Udi on his right Charan.

In Baldwin Temple my daughter got a Sri Sai Satcharita book as a gift from Dr Nori for singing a bhajan.

She got it blessed by Veena Didi and kept in the altar at home. Next morning she found it blessed with Baba's Udi.

Baba ate Halwa,(see below) Upama,and Aloo Paratha offered every morning by Veena Didi in the breakfast.
